

The background image shows the interior of the Auditorium Rubens, a grand hall with a high ceiling, ornate architectural details, and rows of red upholstered chairs facing a stage area with a large white screen. The lighting is warm and focused on the stage.

Mathematics in secondary schools: now... and afterwards?

**Saturday, November 19, 2011
10.00-13.00 u**

Royal Academy, Auditorium Rubens

**Lectures by
Gilles Godefroy (Paris)
Frans Keune (Nijmegen)**

**Panel discussion chaired by
Alain Verschoren (University of Antwerp, Rector)**
